

Carlson Building Maintenance

Uniform Policy and Voluntary T-Shirt Order

07/31/2020

All employees performing cleaning duties at site locations must wear either:

- the company provided high-visibility vest over a dark colored (navy blue or black) shirt

OR

- at the employee's option, he or she may purchase blue t-shirts with the Carlson logo and wear the t-shirt rather than the vest while working.

The employee may also wear the Carlson t-shirts while off duty, except that employees may never wear the t-shirts while working for another employer. This is to prevent confusion by customers or others.

The Company does not require employees to wear other specific items of clothing, except that for safety reasons employees must wear long slacks or jeans (rather than shorts or skirts). Shoes should be practical with closed toes (for example, no high heels or open toed sandals). Employees' clothing, including the optional Carlson t-shirt if selected, are to be clean and presentable at all times at the assigned job location.

T-shirts can be purchased anytime at the cost of \$6.00 per shirt. Payment will be taken through payroll deduction. Employees who wish to purchase shirts must complete this order form and give it to their manager, who will provide the employee with the requested number of t-shirts.

The manager must forward the completed order form to the Payroll Department before the end of the payroll period.

PURCHASE OF T-SHIRTS IS COMPLETELY VOLUNTARY
